Bumper car floor and ceiling grid maintenance

IA-2025-008 - service | Issued 2025-06-01

Bulletin no.	IA-2025-008
Category	service
Manufacturer	Dodgem manufacturers
Ride / device	Bumper cars
Jurisdiction	All States & UTs

Inspect the conductive floor and ceiling grid for damage and loose joints. Verify insulation resistance and that the arena earthing is continuous.
