Inflatable devices: wind limits and anchoring

IA-2025-010 - safety alert | Issued 2025-07-07

Bulletin no.	IA-2025-010
Category	safety alert
Manufacturer	Inflatable suppliers
Ride / device	Inflatables
Jurisdiction	All States & UTs

Stop use and evacuate inflatables when wind exceeds the manufacturer's limit (typically 38 km/h). Anchor every point shown in the manual; sandbags are not a substitute for ground stakes unless specified.
