Standards Liaison Committee Bylaws

Tracking BIS, ISO and ASTM standards for members. | 2025

Mandate

The Committee keeps members informed of changes to IS 15475 (Parts 1-6), IS 15492, ISO 17842 and ASTM F24 standards, represents IAARSO in standards consultations and reports at each Annual Safety Seminar.

Outputs

- A standards update session at every Annual Safety Seminar.
- Notification bulletins when a relevant standard is revised.
- Comments on draft standards on behalf of members.
