IAARSO Code of Ethics

The standards every IAARSO member and certificate holder upholds. | 2024

Every member of IAARSO, and every holder of an IAARSO certification, agrees to the following:

1. Hold public safety paramount in every inspection, report and recommendation.
2. Inspect and certify only within the scope of the certification level held.
3. Report findings truthfully and completely; never sign off a ride that has not been inspected.
4. Disclose any financial or personal conflict of interest to the client and, where relevant, to the Authority Having Jurisdiction.
5. Refuse any gift, payment or favour intended to influence an inspection outcome.
6. Keep client information confidential except where public safety requires disclosure.
7. Continue professional development and keep certification current.
8. Treat colleagues, operators and the public with respect, and never discriminate or harass.
9. Cooperate fully with any IAARSO ethics investigation.
